

John Simpson

I'm John Simpson and I'm the Staff Governor, Chair of the Resources Committee, and also provider of Drama to Yr1 and Reception.

I have been involved in the community of St Thomas', primarily as an active member of the PTA, then as a staff member and as a governor, ever since my eldest daughter first started in reception, more years ago than I would care to remember, suffice to say she's off to University in Sept. 2017 - so a few years !
