

**St Thomas' CE Primary School**  
Learning and growing in the sight of God

Tuesday 6/3/18

Dear Parent /Carer,

Firstly, many thanks for your support and understanding with the school closure due to the adverse weather last week. Your prompt response in picking up your children was much appreciated.

Secondly, there are times when staff and occasionally delivery drivers will arrive at the Junior site and need access to the car park when children are arriving at, or leaving school. Obviously all staff have been made aware of potential dangers and will always drive carefully but please remain vigilant and keep your children close to you in case access is needed at these times.

Also could we please ask that when you come to pick up children from the Junior site you keep any Infant siblings that you bring with you close to your side in the parent waiting area. We have regularly seen infant children running along the front of the Junior building, entering the car park area to play and also swinging on the signs. Recently, a visitor's car suffered handbrake failure and rolled on to the paved area at the front of the school in the exact spot where infant children had been previously playing. This reminded us of the danger that car parks present and the need to keep our children safe at all times.

Many thanks for your cooperation with these issues.

Kind Regards,  
Mr P Campen  
Deputy Headteacher – Junior Department.

**St Thomas' CE Primary School**

Infant Dept: Wellington Road N, Heaton Chapel, Stockport SK4 4QG · Junior Dept: Buckingham Rd, Heaton Moor, Stockport SK4 4QY
