

# Being a linguist in Year Six

## A year Six linguist

**In Year 6 we strive to consolidate the children's knowledge of French and to prepare them for moving on to studying languages at high school.**

**Topics studied this year include Myself, My Local Area and My Town, comparing Stockport to a town in France as well as reinforcement of all key language covered so far.**

### Year 6 expectations:

- I know numbers to 60 and can read and write the number names to 20.
- I can understand the main points of familiar spoken French.
- I can take part in a short conversation on familiar topics.
- I regularly use French classroom language.
- I am confident applying my knowledge of common phonemes.
- I can read a text and then answer questions about it.
- I can write familiar words and some phrases from memory.
- I can adapt a model to write new sentences.
- I can describe places in town using il y a
- I can use a relative clause (qui ...)
- I can spot a verb, a noun and an adjective in a sentence.
- I understand how familiar adjectives are used in French.
- I can use a bilingual dictionary to check spellings and look up new words.
- I know about some of the festivals and sporting events in France.
