

Year 3 - Afternoon Activities

Please see activities below:

Research facts of Manchester. Create a power-point about its' history.	Design a map of your local area. How could it be improved?	Manchester has a symbol, the worker bee. Design your own symbol for your own 'made-up' City. Why have you drawn this?
Can you find a picture of the Manchester skyline on Google? Please draw and colour in. Even better, use paint or water colours!	Create an acrostic poem about MANCHESTER. What will each letter stand for? Make a pretty poster!	Design a product to help your Class Teacher. What could it be? Draw it. Write a speech to persuade Mrs Morris to invest.
Draw a map of the floorplan of your house. What does it look like? Try to scale your drawing correctly.	Re-design our school playground and forest school. What would you like there to be? Remember, not too silly!	Google 'OS symbols'. Can you create your own for your own house or local area?
Write 10 sentences about what you have done today. Translate them in to French. Do you recognise any of the words?	Re-write the Easter story from Jesus' point of view. Remember, you'll need to use 'I'.	Can you create your own game that we could play in a PE lesson? Your teacher will need instructions.
Take a walk, how many different creatures can you find? Write a	Draw the Easter story as a comic.	Can you draw a skeleton and google a variety of names of the

list.		bones in our body? Create a poster.
Have a look at the World map. Which countries have you been to? Which countries would you like to visit? Why?	Take a walk, how many different flowers can you find? Write a list. Which flower was the most popular?	Design a village that you would like to live in. What would there be in your village? Don't forget the essentials: a shop, a school and houses!
