

# Home Learning for Year 1

## Maths

### Fractions

Below we have put together a list of activities that you could do with your child.

1. Practise finding halves and quarters of different shapes, using vocabulary such as whole, equal, same as etc. If you have playdough at home you could use it to make fractions of shapes, by cutting it into halves and quarters. Alternatively, you could follow the recipe below to make your own.
2. Practise finding halves and quarters of a quantity. You could do this by sharing objects equally into 2 groups or 4 groups.

### Revision

1. Make your own 100 square, making sure that all of the numbers are formed correctly. Count forwards and backwards from any given number in the 100 square.
2. Count in multiples of 2's, 5's and 10's.
3. Add 2 digit and 1 digit numbers together, on a number line, counting on from the biggest number.

4. Subtract a 1 digit number from a 2 digit number. Show this on a number line.

## English

1. Practise spellings of common exception words and tricky words.

## Phase 2 to 5 Tricky Words

Phase 2	Phase 3	Phase 4	Phase 5
I	he	said	oh
no	she	have	Mrs
the	we	like	people
to	me	so	their
go	be	do	called
into	you	some	Mr
	are	come	looked
	her	little	asked
	was	one	could
	all	were	
	they	there	
	my	what	
		when	
		out	

## Year 1 Common Exception Words

the	is	no	one
a	his	go	once
do	has	so	ask
to	I	by	friend
today	you	my	school
of	your	here	put
said	they	there	push
says	be	where	pull
are	he	love	full
were	me	come	house
was	she	some	our
	we		

2. Practise the formation of uppercase and lowercase letters. Can they make their own alphabet?
3. Practise writing the days of the week and months of the year.
4. Ask your child to make a fact file about themselves.

## Reading

Continue to read a variety of texts with your child and ask lots of questions to test their comprehension.

## Phonics

Click on the link and play some interactive phonics games.

<https://www.phonicsplay.co.uk/>

## Science

### Animals

Draw and label a diagram of an animal. Research three or more facts about this animal.

# Non-screen activities you can do at home

Pobble

25 Ideas!

What can you do when there's no school and you're stuck at home? Here are 25 fun ideas to choose from.

**1** How many different words can you make from the letters in this sentence, below? Grab a pencil and paper and write a list!

'Learning from home is fun'

**2** Thank a community hero. Think of someone that helps you in some way and write a short letter to thank them.

Thanks!

**3** Get building! You could build a Lego model, a tower of playing cards or something else!

**4** Can you create your own secret code? You could use letters, numbers, pictures or something else! Can you get someone else to try and crack it?

**5** Start a nature diary. Look out of the window each day and keep note of what you see. Birds, flowers, changes in the weather, what else?

**6** Hold a photo session. Use a camera or a mobile phone to take some snaps. What will you photograph? Your pets or toys perhaps?

**7** Build a reading den. Find somewhere cosy, snuggle up and read your favourite book!

**8** Use an old sock to create a puppet. Can you put on a puppet show for someone?

**9** Make a list of all the electrical items in each room of your home. Can you come up with any ideas to use less electricity?

**10** Design and make a homemade board game and play it with your family.

**11** Do something kind for someone. Can you pay them a compliment, make them something or help them with a task?

**12** Can you create a story bag? Find a bag and collect items to go in it that relate to a well known story. If you can't find an item, you could draw a picture to include.

**13** List making! Write a list of things that make you happy, things you're grateful for or things you are good at.

**14** Design and make an obstacle course at home or in the garden. How fast can you complete it?

**15** Can you invent something new? Perhaps a gadget or something to help people? Draw a picture or write a description.

**16** Keep moving! Make up a dance routine to your favourite song.

**17** Write a play script. Can you act it out to other people?

**18** Read out loud to someone. Remember to read with expression.

**19** Write a song or rap about your favourite subject.

**20** Get sketching! Find a photograph or picture of a person, place or object and sketch it.

**21** Junk modelling! Collect and recycle materials such as yoghurt pots, toilet rolls and boxes and see what you can create with them.

**22** Draw a map of your local area and highlight interesting landmarks.

**23** Write a postcard to your teacher. Can you tell them what you like most about their class?

**24** Draw a view. Look out of your window and draw what you see.

**25** Get reading! What would you most like to learn about? Can you find out more about it in books? Can you find a new hobby?

# Playdough Recipe

<https://www.bbcgoodfood.com/howto/guide/playdough-recipe>

**Makes** 1 coloured ball

**Prep** 10 minutes

## **You will need**

- 8 tbsp plain flour
- 2 tbsp table salt
- 60ml warm water
- food colouring
- 1 tbsp vegetable oil

## **Method**

1. Mix the flour and salt in a large bowl. In a separate bowl mix together the water, a few drops of food colouring and the oil.
2. Pour the coloured water into the flour mix and bring together with a spoon.
3. Dust a work surface with a little flour and turn out the dough. Knead together for a few minutes to form a smooth, pliable dough. If you want a more intense colour you can work in a few extra drops of food colouring.
4. Store in a plastic sandwich bag (squeeze out the air) in the fridge to keep it fresh. You can make a batch of colours and give away as kids' party bag favours or hold a playdough party for your child's next birthday.
