

Year 1 Home Learning - 27th April 2020

	Maths	English
Monday	Build a rocket with exactly 100 pieces of Lego or Duplo. Check you have the right amount by counting in 2's, 5's and 10's.	<p>Listen to the story Aliens Love Underpants again. Draw your favourite part from the story and write a sentence to say why it is your favourite.</p> <p style="text-align: center;">https://www.youtube.com/watch?v=J6uwg30IJrE</p>
Tuesday	<p>Draw an alien with various numbers of heads, legs, arms, eyes. Label each part with the correct numeral and number words e.g. 5 five arms.</p>	<p><u>Make an Alien Pet</u></p> <p>Do this activity with somebody else in your house. Fold a piece of paper into four (similar to the image to the right). One person draws a head and neck on the first fold. Then they need to fold back their drawing so just the join on the neck can be seen. The other person draws the body on the second fold, and then folds it back so the body can't be seen. The first person has another turn and draws the legs and just leaves the join showing so the other person can draw the feet. Open up the drawing to see the alien pet that you have created together.</p> 
Wednesday	<p>Draw alien using different shapes. Label the shapes you have used.</p> <p><u>Challenge:</u> Can you describe the properties of the shapes? Example: A square has 4 sides and 4 corners.</p>	<p>Look at the alien pet you designed yesterday. Write some sentences using adjectives to describe it.</p> <p>Example: My alien pet is called..... She has a big, bumpy head with lots of googly eyes.</p> <p><u>Challenge:</u> Can you write a sentence using three adjectives to describe your alien pet? Example: The legs of the alien pet are rough, scaly and long.</p>

Thursday	Watch this clip on symmetry. https://www.bbc.co.uk/bitesize/clips/ztpyr82 Look for things around your house that are symmetrical. Make a list of what you find.	Write a list of ten things that you would take on a journey to space. Challenge: Pick one of the items from your list and write a sentence to explain why you have chosen it.
Friday	Recap what symmetry is. Create or draw a pair of underpants that are symmetrical on both sides.	Find five objects inside your house or in the garden which contain the ee/ea/ey/e_e phoneme (sound). Look inside and outside. Write labels for the objects you have found. Challenge: Can you write these words in sentences? Example: The green peas were hiding in the freezer.
