

Next Week's Learning in Nursery

Week Commencing 4th May 2020

Phonics

This week we want you to help Little Red Riding Hood to pack a basket for grandma. You have to sound out (orally) these different items and find them around the house. Your grown up may want to draw the pictures rather than use real items (but real items are much more fun). Can you find these items: h-a-m, j-a-m, ch-i-p, f-i-sh, n-u-t, p-or-k, ch-o-p, b-ee-f, s-w-ee-t, l-ee-k and l-oo r-o-ll (just to make you smile). Our sound this week is 't' Watch Geraldine the Giraffe on Mr Thorne does phonics. (youtube) and look for objects at home beginning with this sound.

Topic Time

This week we are reading the story of 'Little Red Riding Hood' We would like you to plan a picnic. You could make some yummy things like ham sandwiches and cake. With your grown up (doing the writing) make a list of things you could have to eat and drink on your picnic. You could make some invitations to invite your family or toys. You can have your picnic in your garden or in your house.

Communication and Language

This week listen to the story of 'Little Red Riding Hood.'

<https://www.youtube.com/watch?v=egzPMjJlh20>

In fairy tales there are good and bad characters. Who is the good and bad characters in Little Red Riding Hood? Can you describe the wolf? Maybe you good draw a picture of him. Can you draw and describe the other characters: Little Red Riding Hood, Grandma and the wood cutter? You could find pictures of them to colour and cut out.

Maths

It's really important to practice counting orally, counting out items and recognizing numbers.

In Maths this week we will need two baskets (bowls, pots, small buckets). You will need up to 20 items: pasta, sweets, buttons, etc. Get your grown up to count out eg;7 items in one bowl and 4 items in another bowl. Can you add the two amounts together by counting? Practice with varying amounts.

You could now pretend to be the greedy wolf. Your grown up can put 6 sweets in a bowl and you can eat 3 of them. How many is left? Practice with varying amounts of sweets or grapes etc

RE

We will be looking at stories Jesus told. This week, our story is 'The Wise and Foolish Builders'

<https://www.youtube.com/watch?v=I6S3cRVLMEQ> Think about how Jesus teaches us to live - to love one another and to be kind.

Physical Development

Little Red Riding Hood followed the path to Grandma's house. We would like you to make a pathway in your garden or in your house. Your path might wind around obstacles. We would like you to walk, run, hop, jump, march, crawl, roll, skip along this pathway. Can you move forwards, backwards and sideways along this pathway? Can you move close to the ground or high in the air? Can you go over or under objects? Maybe you could move along your pathway to some music. Please be careful when attempting any of these moves.

Wellbeing activity

Little Red Riding Hood went on a walk through the forest. Can you go on a walk and look at all the beautiful things in nature: trees. flowers. butterflies. birds.. what can you find?
