

Next Week's Learning in Nursery

Week commencing 8th June 2020

PSHE week!

Topic

This week we will be thinking about Friendship.

The story this week is The Rainbow Fish, by Marcus Pfister. Think about the important message that this story tells us. Think about learning to share and being a good friend. <https://www.youtube.com/watch?v=QFORvXhub28>

RE

This week in RE we are going to look at Jesus and his disciples. Watch the video.

<https://www.youtube.com/watch?v=MpUaSilelzc> Can you name some of your friends? How are you a good friend?

PD

Making a friendship heart. For this activity, with your grownups help if needed, draw a heart shape and cut it out. Then you can either colour it or decorate it with glitter, sequins, etc. You could always put a hole at the top so it can be hung up.

Phonics

Our sound this week is 'n'
Watch Geraldine the Giraffe on Mr Thorne does phonics and look for objects at home beginning with this sound.
Play Silly Soup. You will need 6 objects from around the house that the children can sound out, such as pan, cup, box, top, dog, sock, get a large bowl that these objects can be put into. Then singing the song, "We're making silly soup, we're making soup that's silly, we're going to put it in the fridge to make it nice and chilly" Taking turns each time to choose an object, sound it out and throw it in the bowl. (The children should remember this game from their phonics lessons)

Maths

You may now be able to meet up with a friend or family member at the park or in your garden. Have a go at counting different physical movements, try, 4 star jumps, 6 hops, 8 jumps, 10 giant steps etc.
Can you count each others?
