

FROM MONDAY 20TH JULY 2020 IT IS.....

SMS Showcase week

Stockport Music Service
are planning a musical
showcase and we need

YOU!

We want to showcase the talent of our students and the brilliant progress you have all been making.

Got a piece you've been practising and are ready to show off?

However long or short, record your performance (video or audio) and get your parent/carer to email it to your teacher. We'll pop it up on our facebook page as part of our online concert week. Please send it by Thursday 9th July.

Note to parents and carers:

Sending us an audio/video recording serves as consent to the recording being shared on social media.

You may send audio-only recordings (no video) if you would prefer. Please ensure recordings are made with appropriate dress/background – no videos in bedrooms please.
